Overton Hospital Feb 15-70
My Dear Wife

I received your
kind letter yesterday and was
very glad to hear from you but
sorry to hear of the children
being sick but I hope they
are all better by this time
I am here in the Hospital
very sick with the Chronic
Diarrhea I am not able to sit
up any at all I don't see any
chance at all to get to go
Home. ~~As I was discharged~~
I could not go home now for
I am not able but if I
get better I think I will
get a discharge and go home
You spoke in your letter about
coming to see me I would
like very much to see you

but I would rather you
~~resistant rather than~~ would
 not undertake such a trip
 It would be exposing your
 health to much If it
 should be the case that I
 am called away my selection
 for Administrator would be
 Solomon Boyle. I would
 rather if you can keep the
 property all together and
 not have any Administrator
 but I hope and trust that
 I may be permitted to
 return home but if I
 do be called off I believe
 that I am prepared
 and I want you and all
 the children to prepare
 for death I believe I have
 nothing more to write at
 present I close by remaining
 as ever your affectionate
